## SKILLS AND TALENTS

### Page 127

Replace all instances of 'Lore (Herbalism)' with 'Lore (Herbs)'.

### Page 132

In Gaining Talents, replace the second paragraph with: 'If you can take a Talent multiple times, it may have a special rule for what this means written into its description. Further, it may have an associated Skill marked under "Tests" (see Talent Format): if so, for each time you have the Talent, you gain +1 SL on any successful use of a Skill tied to the Talent.' In Aethyric Attunement, replace 'Channel (Any)' with 'Channelling (Any)'.

### Page 133

In Arcane Magic, replace 'Intelligence' in the table with 'Up to Intelligence', and replace '4 spells with 'spell, and the next 4,'

In Artistic, replace all instances of 'Trade (Artist)' with 'Art (Any)'.

### Page 135

In Concoct, replace 'Trade (Apothecary)' with 'Lore (Apothecary)'.

### Page 140

In Jump Up, replace 'Challenging (+0) Agility Test' with 'Challenging (+0) Athletics Test'.

In the Magic Resistance Max entry, replace '1' with 'Toughness Bonus'.

In Magic Resistance, replace 'You must Oppose any incoming spell with your Willpower, just as if you were a spellcaster using Language (Magick) to dispel (see page 237)' with 'The SL of any spell affecting you is reduced by 2 per point you have in this Talent. The SL of a spell is only modified by the highest Magic Resistance Talent within its target area'.

### Page 142

In Petty Magic, replace 'Willpower' in the table with 'Up to Willpower'.

In Petty Magic, replace 'So, if your Willpower Bonus is 3, it will cost you 50 XP for the first 3 spells, then 100 XP for the next 3, and so on' with 'So, if your Willpower Bonus is 3 and you had 3 Petty spells, it will cost you 50XP for the first learned spell, then 100 XP for the next three, and so on'.

### Page 145

In Speedreader, remove '(make singular if previous suggestion is taken)'.

#### Page 147

In Tower of Memories, replace 'Average (+0)' with 'Average (+20)'.

In Witch!, replace the description with: 'You have learned magic through trial and error. Add Language (Magick) to any Career you enter; if it is already in your Career, you may purchase the Skill for 5 XP fewer per Advance. Further, you may spend 1 Resilience point to immediately cast any spell as if it were one of your Arcane Lore spells; you also instantly memorise that spell as one of your Arcane Lore spells for 0 XP. You can do this a number of times equal to your level in this Talent.'

## RULES

#### Page 161

Replace 'Medium' with 'Average' in the second Hard Combat Difficulty entry.

#### Page 162

In Shooting into a Group, append to the end: 'If this modifier allows you to hit when the Test would otherwise have failed, you succeed with +0 SL.'

In Options: Shooting Into Melee, replace the last two paragraphs with: 'Ballistic Skill Tests against Engaged opponents are resolved as normal, but suffer a penalty of -20 as you try your best to hit your specified target. If this modifier causes you to fail when the Test would otherwise have succeeded, you instead hit one of the target's Engaged opponents, as determined randomly by the GM. If you do not care whom you hit, you may gain a bonus of +20 to +60 to hit, see Shooting into a Group.'

In Size, append to the end: 'If this modifier allows you to hit when the Test would otherwise have failed, you succeed with +0 SL.'

#### Page 167

In Multiple Conditions, replace 'Exhausted' with 'Fatigued'.

#### Page 168

In Ablaze, replace 'Armour Points' with 'the Armour Points on the least protected Hit Location'.

In Bleeding, after 'on a roll of 0-30.' add 'If a double is scored on this roll, your wound clots a little: lose 1 Bleeding Condition.'

#### Page 169

In Unconscious, replace 'Any Melee attack targeting you automatically hits on the location of the attacker's choice with the maximum possible SL it could score, and also inflicts a Critical Wound' with 'An attacker targeting you gains the benefit of the I Will Not Fail rule on page 171 without having to spend a Resilience point'.

#### Page 171

In Spending Resilience, after 'direst of situations.' add 'If you cause a Critical, you can choose the Hit Location struck rather than randomising it.'

#### Page 174

In Critical Tables, replace the first sentence with: 'When you receive a Critical Wound by losing more Wounds than you have, roll 1d100 and refer to the appropriate Critical Table to determine what has happened. When you receive a Critical Hit (see page 159), you do not determine the struck location by reversing your roll as normal.' Further, add the following to the end of the paragraph: 'When you resume resolving the non-Critical Damage of the attack, use any new Hit Location determined by the Critical Wound.'

#### Page 181

In Cold, replace 'bonuses to these Tests. See page 302' with 'bonuses and penalties to these Tests. See pages 302 and 309'.

## RELIGION AND BELIEF
